School of Nursing Refund Policy for Withdrawal/Leave of Absence/Inactive Status.

This policy defines the tuition refund when a student voluntarily or involuntarily withdraws from all courses within a term. An active student who withdraws or takes a leave of absence from the School of Nursing on or after the first day of classes but before the time when s/he will have completed 60% of the period of enrollment will have their institutional charges and institutional aid adjusted based on a daily proration of attendance. Federal financial aid is adjusted as described below. A student who withdraws or takes a leave of absence after the 60 percent point of the period of enrollment will receive no refund of institutional charges for financial aid for that term. (It is important to note, however, that this is likely to impact renewal eligibility for financial aid in the next period of enrollment. For more information, contact the financial aid counselor and/or see the Satisfactory Academic Progress policy for details.)

Per Federal regulations, a student earns his/her aid based on the period of time s/he remains enrolled. Unearned Federal Title IV funds, other than work-study, must be returned to the appropriate federal agency. During the first 60% of the enrollment period, a student earns Title IV funds in direct proportion to the length of time s/he remains enrolled. A student who remains enrolled beyond the 60 percent point earns all the aid for the payment period.

For example, if a period of enrollment is 100 days and the student completes 25 days, then s/he has earned 25 percent of her aid. The remainder of the aid must be returned to the appropriate federal agency. Unearned aid must be returned to the specific programs, in order, up to the total net amount disbursed from each source. The order of return is as follows: Unsubsidized Direct Loan, Subsidized Direct Loan, Perkins Loan, Direct Graduate PLUS Loan, Direct Parent PLUS Loan, Pell Grant, FSEOG, Iraq & Afghanistan Service Grant.
